

# HERE COMES THE BUS®

A School Bus Tracking App for Parents

## Know Where Your Kids Are. Know They're Safe.

**Right Bus.**

With an easy-to-use website & free mobile device app, you can

**Right Stop.**

receive customized alerts that the bus is arriving soon – avoiding

**Right Time.**

missed busses & long waits in the hot sun, pouring rain or cold!

Get real-time information on the exact location of your child's bus.

Track multiple buses if your children don't all ride the same bus.

Know exactly when your children arrive at school, or at home.

Your account is password protected.

## SIGN UP INSTRUCTIONS FOR PARENTS:

*\*App only works with participating school systems.*

- 1.) Visit [login.herecomesthebus.com](http://login.herecomesthebus.com) or download the Here Comes the Bus mobile app on the App Store or on Google Play.
- 2.) Click "Sign Up Today!".
- 3.) Click "I have the code" and enter your user profile information with School Code: **29462**. Click "Submit".
- 4.) Under "My Students", click "Add". Enter your child's LAST name and State Student ID # (SASID 02), which you can get by Signing into Plus Portals, then Click "More..."; then click "School"; then click "Demographics"
- 5.) Once your information is completed and confirmed, you're ready to begin!
