As we are all aware, Governor Charles Baker has declared a state of emergency in Massachusetts to support the state's response to Coronavirus. People should use their own judgment if they wish to attend meetings and events where there will be crowds. If you are ill or symptomatic you should not attend. At the present time, City meetings will continue to be held and open to the public as required by law, and the City can make no assurance of safety or assistance in preventing the transmission of illness.

Items listed on the Retirement Board Agenda are those reasonably anticipated by the Board Chairperson to be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.
