During discussion on an item regarding scooters, Counselor Jimmy Boone stated that he had a conversation with Counselor Karen Harden outside of the meeting that changed his mind as to whether or not he was going to vote in favor of making scooters a thing in the semeteries.

Since there are only 3 people on the committee, this means they had an illegal meeting if 2 of them talked about an item they were gonna vote on when they were not in a public meeting. This is not transparent and I believe was illegal.

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

release the contents of any conversations had between Jimmy Boone and any other counselors as screenshots or transcripts for the minutes so the citizens can see why he changed his mind, because right now, we don't know.
