**INFORMAL MEETING OF JUNE 21, 2022**

---

Informal Meeting of the City Council was held in the City Council Chamber, Room 219, City Hall, on Tuesday evening, June 21 2022.

**CALL TO ORDER**

Council President Elizabeth Kazinskas called the meeting to order at 6:00 o'clock p.m.

**ATTENDANCE**

City Clerk Titi Siriphan called the Roll of Members. Ten (10) Councillors present were present including President Elizabeth Kazinskas and Councillor Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros, and James Walsh. Councillor James Boones was absent.

Also in attendance and participating was Mayor Michael Nicholson and Auditor John Richard.

President Kazinskas announced that the Informal session was called to review the **Mayor's FY2022 Budget Recommendations**. She opened the meeting with an announcement to inform the public on how the budget process works. President Kazinskas said "We will go page by page through the budget packet that was included in our meeting packet this evening. For the public watching I'd like to begin by sharing information about the city's budget process. Up to this point, after meeting with city department heads in communicating with the City Auditor, Mayor Nicholson presented the City Council with his city budget recommendations on May 27<sup>th</sup>. His proposed budget also became available to the public that day on the city's website and the City Council's page. The public then had the opportunity to review the budget and contact the Mayor with questions. Since then the City Council standing committees consisting of the Finance, Public Safety, Public Service, and Public Welfare Committees have all met with city department heads. From the departments under each committee and Mayor Nicholson, during their individual standing committee, meetings for further study of the budget and answers to questions. I'd like to thank the City Council and our standing committee chairs for very promptly scheduling those meetings and being very efficient. After we had received the budget from Mayor Nicholson so that we were able to refer the item to the Council of the Whole and have this meeting this evening. Those standing committee meetings are available on the City of Gardner's YouTube page for anyone who would like to watch them this evening. The City Council is meeting as a whole committee to review and discuss the Mayor's budget recommendations. Mayor Nicholson and our City Auditor John Richard are here this evening to assist with information and answers to questions. The City Council has the authority to cut line items from the proposed city budget with the exception of the school department where the City Council can only cut from the bottom line of the school

department's proposed budget. Other than that, the City Council has the authority to cut line items from the city department budget. I just wanted to put that information out there for any of the public watching and also to remind the council as well.”

Mayor Nicholson gave an introduction of the proposed budget. He informed the Council that the proposed budget before them is at \$74,851,841.00:

- This does include all of the enterprise funds, school spending and general government costs.
- This does reflect a 5.9% increase in the city's budget, however when compared to other municipalities near us, it is the lowest in the North Quabbin region for municipalities.
- 32.1 million of the budget is coming from local property taxes and there are no overrides associated with proposed budget.
- The remaining difference is coming from local receipts and state aide.
- Chapter 78 from the Commonwealth did go up about 2.4 million dollars, which was larger than last year.
- The rest is from anything that falls into the general funds fall under what we call local receipts in the budgeting process for revenue.
- What is done traditionally in the past is take 96% of the previous three-year actuals, including the previous budget years to get a more conservative number, add those three years and take 96% of that and budget that in terms of revenue.
- The budget does fluctuate.
- Dr. Pellergrino did present a school budget presentation.
- On the city side, there are three positions that are seeing slightly higher than 2% for the City Auditor, Human Resource Director and Assistant City Solicitor. Looking to bring those positions in line with other comparison departments.
- A 2% cost of living has been included for all non-union employees.
- The Mayor first reached out to all the department heads to send out the request to submit their proposals.
- He then met one on one with every department head and the budget was amended and adjusted as new local aid packages were released from the Governor's budget. That was how the budget was drafted.

Councillor James Walsh questioned if the Personnel Director's compensation can be shared with the School Department's budget since that position does work for the schools as well.

Mayor Nicholson responded that it can be done.

Mayor Nicholson wanted to clarify something he misspoken earlier regarding line items 255 through 305 for Cable Commission. He said “There is a fourth position that's receiving higher

than a two percent in the budget. That is the Assistant Director of the Cable Commission. You'll notice that has an increase there that is level fund. When you look at the bottom line number. It is a position that has taken on extra duties due to the City's recording of extra meetings in terms of the YouTube channel, additional programming that's been added to the cable department's programs as well. We had such a big investment last year when we did the large, retained earnings order to purchase new equipment. We won't need to purchase as much new equipment moving forward for the next at least 10 years, so we took that 5 000 out of the new equipment line item and move that up into the Assistant Director's line item to adjust for the active duties that but maintain the same amount that was requested in terms of the budget.

On behalf of the Welfare Committee, Councillor Nathan Boudreau is in favor for the pay increase for the Assistant Cable Director.

Councillor James Walsh questioned the budget on Page 7 for Fire Department 2% cost of living increase when the union contract negotiations have not been completed yet. He proposed to cut that amount until the contract negotiations are signed off and complete. Councillor Walsh proposed to reduce the amount of \$53,475.66.

A straw vote was taken, ten (10) yeas, Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros, James Walsh and President Kazinskas, to reduce the budget by \$53,475.66 from the salary and labor money order.

Councillor James Walsh said for the same reasons as before, he recommends that the budget be reduced by \$11,105.38 from the Ambulance budget.

A straw vote was taken, ten (10) yeas, Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros, James Walsh and President Kazinskas, to reduce the budget by \$11,105.38 from the salary and labor money order from the Ambulance budget.

Councillor James Walsh recommend cutting \$4,000.00 from line item #568, unaccepted road maintenance; and \$10,000.00 from line item #578, tree planting; of the Public Works Department. The Public Works Director indicated that the encumbered amount from the existing budget would be more than sufficient for his needs.

A straw vote was taken, ten (10) yeas, Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros,

James Walsh and President Kazinskas, to reduce the budget by \$14,000.00 from the Public Works budget.

Councillor James Walsh recommend that on behalf of the Public Service Committee cut \$6,000.00 from line item #608, Airport Repairs and Maintenance. There hasn't been a manager and only \$915 has been expended.

A straw vote was taken, ten (10) yeas, Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros, James Walsh and President Kazinskas, to reduce the budget by \$6,000.00 from the Airport budget.

Councillor James Walsh, on recommendation of the Public Service Committee that line #832, sewer expenses overtime be cut by \$5,000.00 based upon lack of usage; line item #835, working out of grade, be cut by \$3,000.00 because it has not been used over the recent years; and line #845, professional development and travel, be cut in the amount of \$5,000.00 because it is an account that isn't utilized.

A straw vote was taken, ten (10) yeas, Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros, James Walsh and President Kazinskas, to reduce the budget by \$13,000.00 from the Sewer Expense budget.

Councillor James Walsh, on recommendation of the Public Service Committee there are three proposed cuts; line #901, working out of grade, for the same reasons explained in the sewer department budget, in the amount of \$3,000.00; line #909, communications, \$5,00.00 to be cut because the net amount after the cut is more than sufficient according to the Public Works Director; and line #910, telecommunications, \$7,500.00 be cut based on history of usage.

A straw vote was taken, ten (10) yeas, Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Dana Heath, Judy Mack, George Tyros, James Walsh and President Kazinskas, to reduce the budget by \$15,500.00 from the Water Expense budget.
